SKILLS

- ❖ **Languages:** HTML, CSS, C, C++,SQL
- ❖ **Design Tools:** Canva
- ❖ **Technologies:** VS Code,Github

EDUCATION

- ❖ B.Tech. | Computer Engineering CGPA: 9.302 | 2027
Usha Mittal Institute of Technology
- ❖ XII (HSC) 91%| 2023
Career Launcher Junior College of Science
- ❖ X (SSC) 100%| 2021
SPS's Shree Mumbadevi Vidya Niketan

POSITION OF RESPONSIBILITY

- ❖ **Creative and Graphics Head | Writers' Club** 2024-2025
Usha Mittal Institute of Technology
Led visual design for club magazine, events, and social media. Oversaw the creative and graphics team to ensure cohesive and compelling visual output.

ACADEMIC PROJECTS

- ❖ **INTERVISTA – AI-Powered Interview Intelligence & Adaptive Learning Platform(Ongoing)** [\[Project\]](#)
Developed an AI-powered platform that conducts personalized mock interviews and delivers detailed performance analysis based on candidate profiles. Implemented resume-aware interview question generation, NLP-based response evaluation, and speech analytics to assess communication and technical skills. Integrated LLMs and reinforcement learning to identify skill gaps and generate personalized learning paths for continuous improvement.
- ❖ **Student Attendance Management System** [\[Project\]](#)
Developed a web-based platform to automate student attendance using real-time data entry, report generation, and secure data storage. Implemented session-wise attendance tracking, dynamic reporting in CSV format, and secure login/logout functionality to improve administrative efficiency and reduce errors.

ACHIEVEMENTS

- Participated in **Smart India Hackathon (SIH)** – a prestigious national-level innovation competition organized by the Government of India solving real world problems.
- Participated in **HackX 3.0** – a 24 hour hackathon organized by GDG UMIT and GDG NMIMS dealing with real world problems and finding effective solutions. [Certificate](#)
